

## ROOM SIZE CHART

So you have your billiard room ready to rock, but are still playing "air billiards" with your favorite cue. Before you rush out and purchase your Connelly, make sure you know which size table works best for the room. The following chart walks you through it. Remember that a 57" cue is the "standard size" preferred by most folks, so keep that in mind when reading the chart. If you have questions, discuss them with your Connelly dealer. With over 80,000 Connelly tables out there worldwide, your Connelly dealer has all the answers.
